

Amruta Joshi

Qualification:

- **M.Phil in Psychiatric Social Work**
- **M.Phil in Social Work**
- **Master of Social Work (Medical & Psychiatric Social Work)**
- **Master's in Journalism and Communication Science**

Experience:

She is currently working as a **Senior Assistant Project Co-ordinator at Eklavya Foundation for Mental Health, Pune**. Her work involves coordinating mental health projects with a focus on community-based mental health initiatives, caregiver support, training, awareness, and program development. She is actively involved in planning and coordinating activities with mental health professionals, caregivers, and other stakeholders to strengthen community mental health support.

She has extensive experience in **psychiatric social work, child and adolescent counselling, school mental health, family therapy, psychosocial assessment, crisis intervention, caregiver guidance, rehabilitation, and multidisciplinary coordination**. Her professional experience includes working in clinical, school, and community mental health settings, supporting individuals, families, children, adolescents, and caregivers.

She has also been involved in **mental health awareness programs, life-skills education, training, content development, project planning, and community outreach**. With a strong interest in family and community mental health, she is committed to strengthening psychosocial support systems and making mental health support more accessible to individuals and families.
